Data Protection

The Trustee of the Scheme is a data controller in respect of personal data processing for the administration of the Scheme.

As data controller, the Trustee holds and processes certain personal data about you, as a Scheme member, and possibly those of your dependants and beneficiaries. Personal data means information that can be used to identify you, such as your name. The Trustee holds and processes this data to properly administer the Scheme and to comply with the law.

The types of data the Trustee may collect and hold will include, for example, your national insurance number, date of birth and your postal address. The Trustee generally collects this data from you and from TSB. Some of the data the Trustee collects may be classed as 'sensitive data', such as information you tell us about your health when applying for ill-health pension benefits. The Trustee may require your consent to collect and hold this data.

As the Trustee is assisted by third parties to properly administer the Scheme, your personal data may be shared with these parties, including for example, the Scheme's administrator, the Trustee's professional advisers (such as the Scheme's lawyers), service providers, regulators and Government bodies. Your personal data may also be shared with TSB.

Further information on how the Trustee uses your personal data and your rights regarding that data can be found at www.tsbpensionscheme.co.uk/pensions_talk. If you have any questions you can call Equiniti on 0345 266 9214 or email tsbpensions@equiniti.com.

Please inform any people mentioned on this form that you have passed their personal data to the Trustee, and provide them with a link to the data protection policy at www.tsbpensionscheme.co.uk/pensions_talk. If any person mentioned on this form has any concerns about the way that their personal data is being used they can contact the Trustee.
